

Corporate Profile

CTL Strategies LLP is a multi-disciplinary law firm that provides comprehensive legal and tax solutions to both local businesses operating globally and foreign businesses with interests in the Maldives.

The firm's expertise covers all aspects of commercial law; tourism, foreign investment, employment, finance and taxation. As the only law firm in the Maldives that combines expertise of lawyers, tax advisors and chartered accountants, our clients benefit from the fully integrated legal advice we are able to offer pertaining to their commercial transactions.

We are particularly known for our skillful work in highly complex tax matters. Our clients can rely on us at every level of tax audits, investigations, and controversies and we represent them in any litigation that may arise from a tax dispute. The caliber of our work in all areas of taxation law is unrivaled and acknowledged by our peers in the industry and we currently represent a good majority of the cases filed at the Tax Appeal Tribunal in the Maldives.

We are ranked by Asia Law Profiles 2018 as one of the leading law firms in the Maldives and our tax disputes practice has been recognized in the ranking.

Tax rules are constantly changing and almost every major financial decision a business takes has a tax consequence and therefore reliable and accurate tax advice is vital. Our tax advisors closely monitors changing tax policies and rules, keeping our clients well informed on developments that can impact their business.

Our tax advisors were extensively involved in the implementation of both Goods and Services Tax and Business Profit Tax in the Maldives and therefore have knowledge and experience to offer clarification and advice to clients expanding their business, embarking on to new industries or ventures or in a situation where the tax treatment of a particular transaction is unclear.

We advise clients in relation to the taxation implications of all commercial transactions including structuring issues, financing, acquisitions, and international and cross-border transactions. In addition, we offer a comprehensive range of tax advisory services for both local businesses, inbound and outbound investments.

These include:

- ◇ Advice on tax implications of commercial transactions
- ◇ Conduct tax due diligence and determine past and future tax liabilities of target business in cases of acquisitions and mergers
- ◇ Advice on tax assessments issued by the MIRA
- ◇ Assist clients with tax audits and investigations and in responding to queries raised by MIRA

We offer legal advisory services to a number of international as well as local businesses, financial institutions and governmental entities on their most complex matters providing the guidance they need to compete in today's business environment. Our clients value the full-service advice our lawyers are able to offer to clients with the expert assistance from in-house tax advisors and chartered accountants and have advised a number of international hotel chains and local resort owners with due diligence assignments, management handover process, and resort sale and purchase transactions.

Our lawyers are licensed to practice in all tiers of the courts in the Maldives and have in the past represented the state on various critical tax disputes and were instrumental in securing a number of landmark appellate victories in the High Court which has shaped the Maldivian taxation regime.

As a Ministry of Economic Development's licensed corporate service agent, the services we offer range from the point where a business is registered, to the dissolution of companies and deregistration of business entities. Other legal and corporate services that we offer include:

- ◇ Contract and corporate disputes
- ◇ Employment and labour issues
- ◇ Tax assessments, objections and appeals
- ◇ Real estate disputes
- ◇ Debt collection and enforcement

Maldivian taxation system is based on a self-assessment system and the obligation is on you to ensure that you are doing it right. Failing to do it correctly can cost your business a lot, in terms of fines and penalties for short payments.

Tax audits by the MIRA often results in them assessing additional tax and usually being charged with corresponding fines for the short payment. Our tax compliance review detects potential issues that MIRA may disagree with you and offers the opportunity to correct any material misstatements before an audit.

Our review focuses on every aspect of internal processes and tax procedures of the business, ensuring success with future audits and reducing the possibility of costly assessments and penalties by the MIRA.

A tax compliance review:

- ◇ Ensures that current operations of the business substantially comply with all tax laws and regulations
- ◇ Reviews tax treatments of commercial transactions
- ◇ Identifies areas of opportunities to save taxes
- ◇ Reviews tax returns preparation process

We assist international hotel chains and developers at all stages of development and operations: from securing the best islands for their tourism investment, prepare documentation for approval for developments, obtaining licenses and permits to tax structuring. Our clients also turn to us for assistance and counsel on the formation and structuring of various foreign investment vehicles.

Our particular in aspects of tourism and real estate includes:

- ◇ Facilitation of tourist resort and hotel sales and acquisitions
- ◇ Reviewing of lease agreements
- ◇ Reviewing and drafting of island head lease and sublease agreements
- ◇ Employment issues in the hospitality industry
- ◇ Conduct legal due diligence for potential investors in acquisitions or transfer of rights
- ◇ Tax planning inherent in the ownership, transfer rights and property

## Foreign Investments —

The relevant laws in place governing foreign investments have certain structuring requirements and maximizing your investment necessitates having sound legal, technical and financial advice, instruction and representation when making the right decisions for your business.

Our team can help you navigate the regulatory requirements while acting on your behalf to represent your interests in the Maldives. We can help you get established, or assist you on expanding upon existing operations by advising you on the best possible structures that you can adopt to safeguard your investment and assist you in finding solutions which will help you maximize your financial and tax benefits.

The services we provide to foreign investors include:

- ◇ Processing foreign investment approval
- ◇ Incorporation of foreign companies
- ◇ Setting up of joint venture and revenue sharing arrangements
- ◇ Due diligence investigations
- ◇ Facilitating public-private partnerships
- ◇ Local director services
